

OVER NON-PAYMENT OF FEE

Dear Parents

Despite of the innumerable reminders and appeals made by the school and Haryana Government orders mandating the payment of monthly tuition fee for the ongoing classes, parents are averse to pay the same. It is also very disheartening that people are instigating and creating trouble through social media. School in distress is now forced to take the stern step of striking off the names of non –paying children from the online classes and no dues certificate will not be given until all the outstanding dues gets cleared off.

Dear Parents

Please be noted that due to non –payment of outstanding dues, student’s names will be removed from ERP system. Parents are suggested to clear the outstanding school fee dues at the earliest possible as our Online Assessment- 2 will begin from Thursday, 16th July 2020.

VERY IMPORTANT
